

# **Graduate School Degree Requirments**

## **Graduation Application**

In order to graduate, all graduate students must complete an online graduation application via My Akron by the due dates listed below to be considered for graduation or a certificate. The purpose of the application is to notify the Registrar of the student's intent to graduate. A student cannot graduate without having completed this form. The graduation application only needs to be completed one time. Should the student need to po

## **Continuous Enrollment**

All doctoral stu

dents must be enrolled at least 1 credit *every* Fall and Spring semester of doctoral study until graduation. Grades of NCR (no credit), PI (permanent incomplete) or AUD (audit) do not apply toward the continuous enrollment requirement.

**Residency Requirement**

All doctoral students must have two consecutive semesters of fulltime enrollment at some point in the doctoral study.

This may be fulfilled in the following options:

Fall-9 credits and following Spring-9 credits

Spring-9 credits and following Fall-9 credits

Spring-9 credits and following Summer-6 credits

Summer-6 credits and following Fall-9 credits
